EXAMINER'S AMENDMENT

This application is in condition for allowance except for the presence of claims 1-8 to species non-elected without traverse. Accordingly, claims 1-8 have been cancelled.

Allowable Subject Matter

Claims 9-11 are allowed.

The following is an examiner's statement of reasons for allowance: No prior art has been found to meet the limitations of claims 9-11 calling for a method of testing a plurality of semiconductor devices loaded on one handler connected to a tester comprising the step of: responding to a test-require signal and query (610) to the handler as to whether the semiconductor devices are all loaded on a full site (two or more sites); in response to the handler query (610), generating a site selection signal corresponding to one of the handler sites; and testing semiconductor devices loaded on the selected handler sites, as further defined at claim 9.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
